### Caravan Coffee

We roast small batches of beans daily on our probat roasters using beans sourced from around the world. We source green coffee from single farms and estates in the specialty coffee market where the focus is quality, provenance, sustainability, freshness and fair relationships with the growers. Our espresso is made from a blend of coffees using the freshest, tastiest crops of the season. The filter coffees on offer are of single origin and have been sought out for their unique flavour characteristics and quality
